ABSTRACT

Information is presented on former Community College of Philadelphia (CCP) students who transferred to four-year institutions in the Philadelphia area in the fall 1982 semester. The first tables indicate that of the 526 CCP students who applied for transfer to four-year colleges, 75% were accepted, 23% were rejected, 1% were accepted conditionally, and 1% were placed on a waiting list. The students earned an average of 47 credit hours at CCP, had a cumulative grade point average (GPA) of 2.9, and 30% held a degree from CCP. The bulk of the report breaks down these figures by college program. (AYC)
